Transportation

TARTA lines 15 and 16 running through Point Place are operating with just a short detour, please call 419-243-7433 to find a bus schedule or request a ride with TARPS. 211 can also help with transportation needs.

Ohio Department of Insurance can help with claims and questions.

Avoid Scammers

Request a list of reputable contractors from your insurance company or the Better Business Bureau.

Insurance Documentation

Before removing debris or broken belongings, document damage for your insurance company. Take photos and/or video. Make a list of the damages and/or damaged items.

Stay safe. Trees may still have loose limbs. Avoid power lines until they are repaired. Do not consume spoiled food.
